An Art Presentation & Experiential Discourse with Hazel Archer Ginsberg**

Friday March 9th 2018 at the Rudolf Steiner Branch 4249 N. Lincoln Ave. Chicago
7 pm – 9 pm

Come face the Fates & meet the Sibyls in the Light of Anthroposophy,
as we trace the evolution of human consciousness & ask: Does Fortune smile? Is Justice blind?
How can I Co-Create with Destiny, to spin the thread of my life with integrity,
to heal and clear the collective karma, & achieve my True Becoming?

Through the insights of Rudolf Steiner, the power of Myth-Telling, & Ritual-Tasks, such as
Socratic questioning; we will journey into our soul-depths to stand before the “Daughters of
Necessity” that we will transform into “Freedom Fighters” to meet our true calling; asking:
‘What is my Highest Purpose?’
