

CENTER FOR BIOGRAPHY & SOCIAL ART

Practicing Karma From Necessity to Freedom

A Master Class/Retreat with Yael Armony

Kirkrige Retreat Center, Bangor, PA

October 24-27

Hotam School is a leading training center for anthroposophical biographical counseling in Israel. Over the years, the vast knowledge presented by Rudolf Steiner has been researched and developed into a practical method to use in biography work. The goal of this master class is to explore our own individual karma while working with objective spiritual laws.

Completion of the master class will enable participants to access additional online classes provided by Hotam School.

Spaces at the retreat are limited. Reserve your place now: [CLICK](#)
