Weaving Past and Future through Presencing

Annual Meeting of Central Region Group, Branch and Initiative Representatives

With Special Guest: Albert Linderman, Ph.D.
Annette Conlon, Eurythmist

Pleasant Ridge Waldorf School ~ Viroqua, WI
May 3 - 5, 2013

We have a good group of about 30 participants gathering together the first weekend in May. There are colleagues coming from North Dakota, Minnesota, Iowa, Michigan, Illinois, Missouri, Texas and - of course - Wisconsin. Please keep us in your thoughts as we take up our theme of the individual within community and "presencing". A report and photos from the weekend will be sent out as soon as possible.

*Victorious Spirit!
Flame through the impotence
Of irresolute souls
Burn out the egoism
Ignite the compassion
That selflessness
The life stream of humankind
Wells up
As the source of spirit rebirth.*

– Rudolf Steiner

New Members in our region!

Since December 2012, there have been 22 new friends who have joined the Anthroposophical Society. They have each been welcomed with a postcard from the Central Regional Council and we hope that local groups and branches have also taken an opportunity to reach out and invite them to participate in your activities.

Sacred Relationship and the Elemental World

Facilitated by International Slovenian Teacher and Author, Marko Pogačnik
 A 5-day experiential workshop May 8-12, 2013, Dodgeville, WI

This residential class will take us deep into the world of Nature Spirits and Elemental beings in order to help us develop our sacred relationship with the land and her many archetypal dimensions. The Author will lead the group to several places in this Driftless Region of Wisconsin that bear the mark of the Universal Mother's presence. There we will train ourselves in communication with her cosmic presence. He will also show exercises that can be used in the daily practice to stay in touch with the cosmic feminine in us and around us. With this awareness we will learn how to work with the land for bringing our relationship with the Earth into balance. Class will be held on 500+ picturesque acres of ancient cliffs, prairie and woodland, with field trips to local sacred sites.
