Join the Central Regional Council for two special gatherings.

Speaking from Soul to Soul with the Solar Eclipse

August 19 - 21, 2017 in St. Louis, MO
Saturday evening, Sunday and Monday

At this Central Regional retreat, we take The 'Bridging Project' into the realm of 'Speaking with the Stars'.

In the life between death and re-birth the human being is engaged in an intimate conversation with the 'Stars'. We will meet at the Motherhouse of the Sisters of Carondelet; together we will prepare for, view and work to hold the light during the solar eclipse, visible in the area just after 1pm on Monday August 21st 2017. Afterward we will gather to process, share & continue the conversation, capping off the retreat with a communal meal.

(Limited space available)

Festival for the Dead

Friday, Saturday and Sunday

Our Central Regional gathering during the season of All Souls will be a continuation and deepening of our Bridging Project: Between Life and Death from Soul to Soul. Linda Bergh and Marianne Dietzel will lead the events at the spaces of the Minnesota Waldorf School.
