*Verse - Verse for America
May our feeling penetrate
Into the center of our heart,
And seek, in love, to unite itself
With the human beings seeking the same goal,
With the spirit beings who, bearing grace,
Strengthening us from realms of light
And illuminating our love,
Are gazing down upon
Our earnest, heart-felt striving.

Mission of the Eastern Region Holding Group

The Eastern Region Holding Group consists of individuals from the three areas (Northeast, Mid-Atlantic and

Southeast areas) who see it as their mission:

1. To support, further and share the meaningful work of Rudolf Steiner and the whole of Anthroposophy in the eastern region through exchange of ideas, research and art generated within local groups and members.
2. To provide opportunities for human beings longing for the spirit to meet each other soul to soul, through conversation platforms.
3. To promote larger exchange of information and collaboration between branches and groups and radiate out the healing effects of Anthroposophical spiritual endeavors in the Eastern Region.
4. To create a bridge between the national organization and the groups, branches and members of the Eastern Region.
