

Eastern Region Video Newsletter
February 23, 2021 7:30 – 9:00PM
Agenda

- * Welcome and Verse (Dave Mansur/ Sheena Ifkovitch)
- * Eastern Region News (Dave Mansur/Gino Ver Eecke)
- * Fellowship Community Update (Tari Steinrueck)
- * Agricultural Section Update (Alex Tuchman)
- * Breakout Conversation (All)
- * Closing Verse (Cathy Green)

The evening program will be as follows:

1. **Update from the Eastern Region Holding Group.** We will share with you our intentions for 2021, as well as news regarding changes in leadership both at the regional and National level. Ample time will be given for any questions or suggestions you may have regarding the work of the Society in the Eastern Region.
2. **Update from the Fellowship Community.** The Rudolf Steiner Fellowship is an intergenerational care community in Chestnut Ridge, New York. They have faced numerous challenges this year including COVID restrictions and a major fire that destroyed one of their housing facilities. We will hear how they are coping, and what they could use from the anthroposophical community.
3. **Report from the North American Agricultural Section.** Alex Tuchman will provide a brief report on the ongoing work of the North American Agricultural Section.
4. **Study Together.** We will end the evening by breaking out into small groups to discuss Rudolf Steiner's letter to members dated February 3, 1924 on the topic of Member's Meetings (Life, Nature and Cultivation of Anthroposophy, Letter III. [Available also on Rudolf Steiner Archive at this link.](#)

We hope many of you will be able to join us as we work to weave relationships throughout the Eastern Region.
